# ABOUT US

**Digital Promobuddy is a reliable & transparent marketing company that promotes your business digitally and establish an outstanding online presence for your business. We are working with clients globally that are highly satisfied with our services and we feel fortunate about it. Looking at the increment in internet usage every other year, it has become imperative for every business to be present online as that is where the maximum eyeballs are.**

**We have helped many startups to generate a constant earning via our Digital services. There has been **10X ROAS** for our clients via our Promotional campaigns across the social media platforms and search engines. We have helped increase the profits of well established businesses with our marketing skills and techniques.**

# WHY YOU SHOULD HIRE PROMOBUDDY?

---

We have a very simple answer to this question- Because we believe “Your growth is directly proportional to Our growth.” We do not treat you as a client, we treat you as “Family”. Our founder’s vision is to build a “**Digital Family**” where every member is successful in the ways they want.

Which business doesn’t want to flourish? And, what Promobuddy needs to flourish is our Digital Fam’s growth.

If we are seed, you are water-soil-sunlight-and all other growth hormones for us.

Precisely, we are nothing without you.

Now you know how important your business’s growth is for us and that is why you should hire us :)

## OUR STRENGTHS

Impeccable Team of Promobuddy is our strength. The candidates selection is always a time taking process because we make sure the team's thoughts match the founder's vision. Our team is equally dedicated to serve quality work with honesty and transparency. Every individual is flawlessly perfect in their respective niche and are committed to their work. The cooperation and delivering before deadlines makes us stand out and our clients a happy family. You are going to have it solved with a smile and friendly gesture from each one of us.

## OUR VISION

To build a strong "Digital Family" where every member is successful in the ways they want. Be known for our trustworthiness, transparency, cooperation, and discipline along with the impeccable results providing the highest value of satisfaction to every customer we work with. Be known for our unique marketing approaches to promote our client's businesses like no one else in the business. Leverage our deep expertise and profound understanding for Client's business areas and requirements to create ROI driven solutions

## OUR EXPERIENCE

We established our company Digital PromoBuddy Private Limited in 2019. But, we are helping businesses grow digitally for more than 4 years now. Taking into consideration our team which comprises of experienced professionals give us varied experience that could go up to 10 years. What defines us is our well experienced team, and our splendid results. Having worked with people from different countries, seeing their satisfaction and cherishing their reviews, we are very confident about our services.
